

The Michigan High School Interscholastic Bowling Coaches Association is an organization developed for coaches and interested persons who wish to promote high school and/or interscholastic bowling in the State of Michigan.

The association is organized to:

1. Promote High School and Interscholastic Bowling as an integral part of the total school education program.
2. Provide a forum for the discussion of techniques and rules of bowling.
3. Place at the disposal of coaches, sources of information for the education and development of both the student and the coach.
4. Promote the highest ethical standards for coaching in high school and interscholastic bowling.
5. Provide recognition of the outstanding coaches and players of its membership.
6. Provide for the continuing development and Promotion of the interscholastic bowling coaches in the State of Michigan.

 Sue Herman, Coldwater Girls Coach

## 2015 MHSIBCA Hall of Fame

My name is **John Essenmacher, Jr.**, and I have been bowling for most of my life. My success in bowling is from hard work and dedication to the sport. I enjoy coaching as well as participating in many leagues. Many years ago I was able to take the leap of faith and bowl as a PBA member in the regional tour. After several years, I decided that I would dedicate more time towards my family and to help in my community by coaching. I have been coaching the Richmond bowling team for 15 years and our program has been very successful. I am very fortunate to have dedicated coaches that work with me and put in hours of hard work by my side, Jim Gostovich and Chuck Scheuer. While coaching our team our program has brought home 10 regional titles and has had 8 individuals that have brought home regional titles. Our success has continued in team events with 3 state finalist teams. In the state singles event we have had 1 finalist and 1 singles state champion. We have had 3 Macomb County players of the year and 2 players that were honored by being on the Detroit Free Press Dream Team. There has been at least 12 bowlers that have gone on to compete at several different colleges. One of the bowlers competed at the National level and came in the top 8 at the Inter Scholastic Singles competition in 2012. Being a coach is hard work and takes many hours away from my family, but I am very fortunate that they have supported me throughout these years. I would like to take this time to say thank you to the MHSIBCA board for nominating me in to the Hall of Fame. I am pleased, honored and humbled to receive this award and to stand along side so many well deserving coaches.

**Susan (Sue) Hines** started bowling casually in 1969, with her mother, Barbara Scott. Sue has bowled in numerous leagues and competed in several Queens Tournaments throughout the 1980's and 1990's, where she became a top qualifier twice. Sue had a proud event in 2007 with her induction into the Jackson Bowling Hall of Fame for Superior Performance. Sue continues to participate, support and encourage bowling as a competitive sport, as well as a family activity, as it is still a great passion for her. She became involved with youth bowling in the 1990's as a coach. She has served on the Jackson Association Board as a Youth Director, and as Secretary/Treasurer for the Jackson Young American Bowling Alliance (YABA). In early 2000, Sue was approached by Dr. Mel Wolfe about organizing and supporting High School Bowling. Since then, this program has grown steadily, and today there are currently 7 schools in 3 conferences that call Airport Lanes their home house. For many years, Airport Lanes has held regional events, and since 2007 has proudly hosted the Michigan High School Athletic Association (MHSAA) State Finals.

## 2015 MHSIBCA Hall of Fame

Cora Catlin, approached me about starting up a high school club team in Ionia. In 2004, I was hired as the head coach of the Ionia boys varsity bowling team, and until I stepped down at the end of this season, I was the only boys head bowling coach in Ionia. I also was the head coach of the Ionia girls team from 2012-15. While I was coaching, Ionia was fortunate to have only one season with a losing record. During this time, Ionia had 8 teams advance to the state tournament and 4 regional championships including 3 straight girls regional championships from 2012-2014. Our best finishes were the boys in 2004 in the semi-finals and the Girls in 2013 as the state runners up. On an Individual level, 21 kids I have had the privilege of coaching over the years have represented Ionia in the singles portion of the state tournament with two receiving first team all state honors, A.J. Ward and Ryan Bennett. In 2010, I was honored by being named boy's coach on the Lansing State Journal's Greater Lansing area all decade High School bowling team. As a 1979 graduate of Ionia high school, I am proud to have been able to represent my school and my community over the years. Thank you, all.

My name is **Laurence Radtke** (Rad-Key) and I have been coaching the boys bowling team at Sterling Heights Utica Ford II for 12 seasons. I started coaching in the 2003/2004 season, when my oldest son, Larry entered high school. I have three sons; Larry, Anthony & Frank and all 3 of them entered into the bowling program, with the last one graduating in 2012. Once Frank graduated, I found that I could not leave the program. I just have a passion to teach kids the proper way to bowl and I truly enjoy watching each of them improve, even when the kids themselves aren't even aware of it. I was the Assistant Varsity coach when Utica Ford made it for the first time to the State finals and ended as runner up. My two oldest sons, Larry & Anthony, won the Macomb County Championship in back to back years and all three of my sons were offered college scholarships. Seeing a young bowler enter the program for the first time and having absolutely no idea of the potential that they may possess, then over time, watch that potential flourish into something magnificent, is quite gratifying. There are no words to describe that gratifying feeling you get, when these kids accomplish something that they themselves didn't think was possible. When I take a team to a tournament, and they, as a team, feel that they aren't good enough to compete, but yet they end up winning, brings tears of joy to my eyes. I feel honored when some of the kids that I have coached, seek me out to tell me that they shot their first 300 game on an adult league 5,6,7 years after they have graduated. I am very pleased and proud to be a part of these young bowlers' lives, teaching them lessons that they will reflect upon for years to come.

## 2015 MHSIBCA Hall of Fame

**Heidi Wrathell** – I started working with the youth bowling program in 1998 when I took over the youth league at Liberty Lanes. In the fall of 2000, I organized the Sandusky High School Bowling Team by raising money, finding coaches, and entering us in the Eastern Michigan Bowling Conference. In the fall of 2007, with lots of help, I started the Upper Thumb High School Bowling Conference, took the Conference Coordinators position, as well as, Tournament Director. I love the sport and working with the kids. Thank you so much – this is really an honor and surprise.

**Eric Bottrall** –Varsity Head Coach of Caledonia High School. I have been coaching for 13 years. My first 4 years were at Byron Center. Our team finished in 3rd place in our city championship the first year of our program. I coached Byron Center Boys to its first State finals appearance in 2004. We won our conference all 4 years I coached there. In 2006 to present (9 years), I have been coaching at Caledonia High School, where we have won our Conference 7 times. We have been to the State Finals 4 times, twice for boys and girls. I have had several single state finalists over the past 13 years. I was named coach of year this season for Division 1 Boys. I have been a registered USBC Volunteer for the past 5 years and I'm on the Grand Rapids USBC Board as a youth Director (3 years). I was on the MHSAA Rules Committee for 2014. I'm a youth delegate that attends the annual USBC youth meeting the past 3 years. I'm a youth coach on Saturday morning at Spectrum Lanes (past 10 years). I'm secretary of my Youth League that bowls Thursdays after school that is designed for High School bowlers. I have been the Conference coordinator the OK White for the past 8 years. I bowl in two men's league in which one I'm the league Secretary. I volunteer my time weekly to coach not only youth, but adult bowlers, at Spectrum Lanes. I managed Spectrum Lanes for 5 years and worked for them for 16 years. I'm USBC level one certified and USA bowling certified Bronze level. I'm the Meijer State Games of Michigan Director for the bowling games (Past 2 years). I love the game of bowling and coaching and they are a huge part of my life that I truly enjoy. I hope to continue to do so as long as I can. My wife and daughter are active bowlers and I'm blessed by all the support they give me to be able to coach. Thank you.

**Kendall Krick** – I started bowling at an early age and, at 15, I found myself bowling in my first adult league (I had to have a note from my parents!). My children were introduced to bowling when they were young so I took the ABC bronze and silver level coaching classes and started coaching about 1993 in our local junior program. In the fall of 1998, one of the proprietors at Cat Lanes,
