From: Tom Stockton, Vice President, MHSBICA
To: All Michigan High School Bowling Athletes

The Michigan High School Interscholastic Bowling Coaches Association would like to congratulate all graduating seniors for having participated in Michigan High School Bowling. Thank you for your participation while continuing your education during those years. While coaches must submit athletes for the All State Academic Team, the MHSIBCA Awards Committee has asked that graduating seniors apply themselves for the Scholarship Awards from our organization. If your grade point average is 3.55 or higher, you are eligible for one of the \$500.00 scholarships awarded from MHSIBCA. Two scholarships are being awarded in each of the three Michigan High School Bowling Divisions, one each for a boy and a girl.

The MHSIBCA Scholarship Application is on the second page of this document. Please return the application and necessary papers as quickly as possible for the Scholarship Awards Committee to have time for proper evaluation. Winners will be notified and scholarships awarded at the Annual MHSIBCA Awards Banquet. This year's banquet is being held on April 19, 1:00 PM, at Royal Scot Lanes Banquet Center, 4722 West Grand River, Lansing, MI 48906-9129.

Please remember, the Scholarship Application **DEADLINE IS MARCH 30, 2009.**

Sincerely,

Tom Stockton
