

MICHIGAN HIGH SCHOOL INTERSCHOLASTIC BOWLING COACHES ASSOCIATION

COACHES ASSOCIATION ZERO-TOLERANCE STANCE AGAINST SUBSTANCE ABUSE

The MHSIBCA is concerned about the safety and abuse of children. As a person who is interested in the well being of children, we believe you are entitled to know how our organization is combating this critical issue. In addition, as an applicant for membership with our organization, you need to know the defensive measures we employ to protect children in our care, as well as our membership, from this serious problem.

We will not tolerate the abuse of any child. We are aware that some people apply for positions in the youth services field because they are interested in children sexually. We structure our activities by recommending that our members not be left alone with children. We take any allegations by children and by others very seriously, and refer all allegations to the local or state law enforcement authorities for investigation in which we fully cooperate.

The MHSIBCA takes a Zero-Tolerance stance against abuse of children or any participant in our programs. In addition, the information we provide to our membership protects our coaches and staff from placing themselves in situations that might be misinterpreted by children and others.
