--

**Clarenceville High School's
Open Double Championship
Saturday, January 28, 2012
Registration at 8:00 a.m.**

1. MSHBC rules of eligibility and USBC rules will govern this tournament. Tournament is open to all high school bowlers that have a team participating in Michigan High School Competition. Team shirts and appropriate pants/skirts must be worn.
2. There will be one division for boys and one division for girls. Teams will consist of two bowlers from the same high school. Ninth grade bowlers may participate as members of the high school that they are to attend the following year if their school system is so divided. Varsity and Junior Varsity bowlers can bowl together as a team. Entries will be on a first come/first served basis. The tournament is limited to the first 76 teams to turn in **Paid registrations.**
3. Entry fee is \$40.00 per team and must accompany the entry. **NO REFUNDS WILL BE ISSUED.** Checks returned for insufficient funds will be assessed a \$25.00 processing fee. **NO POST-DATED CHECKS ACCEPTED.**
4. This event will consist of 3 regular games and 2 baker format games in qualifying and the 2 game total pinfall baker format in Match play. In both qualifying and match play, the bowler who bowls leadoff the first baker game will be the anchor in the second game.
5. Lane assignments will be pre-assigned by the tournament committee prior to check-in.
6. At 9:00 am, a 10-minute practice session will begin. Late bowlers will receive a 0 for all frames missed.
7. Teams will bowl the 3 regular games on one pair of lanes, and then exchange lanes for the baker games. Lanes 1-2 will move to 3-4, and 3-4 will move to 1-2. The 3 regular games will be bowled first and the 2 baker games will be bowled last. One lane courtesy should be observed during competition. Scoring for the entire tournament will be scratch. Lane monitors will verify scores and report them to the tournament office.
8. The competition will be cut to the top 16 boy's teams and the top 16 girl's teams after qualifying. If there is a tie for the 16th and last qualifying position, there will be a 1 game baker roll-off. A flip of the coin will determine who starts on the left lane. If a tie still exists, then the anchor bowler from that game will each throw one ball, total pins wins until the tie is broken. The team on the left will bowl first. The number of teams qualifying may be adjusted depending on the number of entries in each division. The final number of qualifying teams will be determined before the start of competition.
9. There will be a 30-minute break after qualifying.
10. After the break, a 5-minute practice session will begin. The qualifying teams will bowl head-to-head, two game total, baker matches. Total pins will decide the matches. If any series ends in a tie, the anchor bowler from that game will each throw one ball, total pins wins. The team on the left will bowl first.
11. The match play competition will be seeded utilizing the NCAA match-up format. (Top Seed vs. Bottom Seed, etc.)
12. Awards and prizes will be given to the first 4 places in each division. There will be no roll-off for 3rd and 4th place. The higher seed will finish in the higher position. Additionally, awards will be given to the high 3 game regular game total for both boys and girls. Awards presentation will immediately follow completion of competition.
13. No tobacco products or drinking of alcoholic beverages will be permitted in the bowling center. Any instance of unsportsmanlike conduct will result in the immediate disqualification of the team from the tournament.
14. Any disputes during the tournament or exceptions to the above rules and regulations will be resolved at the discretion of the tournament officials. Their decision will be final.
15. The Oil Pattern used for the tournament will be the "normal house condition".
