Huskie Invitational Rules

The tournament is open to all varsity high school teams. We have room for the first 16 boys and 16 girls teams.

The tournament will consist of 3 regular games followed by 6 Baker games bowled on the "Allen" oil pattern. The teams will rotate lanes after each regular game and after every two Baker games. The field will be cut to 8 boys and 8 girls teams. These teams will be seated and play in a bracketed playoff using best 2 of 3 Baker games. The finals will be a best 3 of 5 Baker games with the third place match being the best 2 of 3 Baker games.

Awards will be given for the top three teams and top ten individuals.

The eight teams for the playoff will be seated based on the total pin fall from all regular and Baker games bowled. In the case of a tie score the highest Baker game will break the tie for all positions 1 through 7. If the tie is for the eighth place then a roll off consisting of 5th through 10th frame Baker game with all teams tied for 8th place will break the tie.

The top ten individual awards will be given to the highest series for the regular games. A player does not have bowl all three games to be eligible to place or win an individual awards. A player with less than three games will receive a zero for a score in a game not bowled. In case of a tie for places 2 through 9, the highest individual score will break the tie. For 1st or 10th place a 9th, 10th frame roll-off will occur.
