## Note From the President- Debbie Alexander

Debbie has asked me to pass this information on to all coaches:

I was recently appointed the first Head Coach for the Clarke College intercollegiate bowling program in Dubuque, IA. We will begin competition in the 2010-2011 season, and will be able to provide scholarships to men and women bowlers. I myself am a product of MHSAA bowling, having competed four years at Wayland Union, and four years at Michigan State University. In starting up a program, I know that it will be important for me to seek out any and all interested bowlers from the Midwest and beyond in order to fill out our rosters. If you may be of any assistance in forwarding my message or providing contact information to any and all coaches in Michigan, I would greatly appreciate your help. I would be more than happy to answer any questions you or any coaches may have about the program, the city of Dubuque or college bowling in general.

Thanks again, and I look forward to hearing from you.
